

Snap-Off Knife SFRPB 18W

Ergonomic snap-off knife with a bent tail fin. The knife is suitable for all-round use such as cutting plasterboard, insulation, aqua panel and wood. The design with rubberised grip makes it suitable for materials demanding more power. Tapered knife tip with extended front of blade rail for better stability, access and visibility. The bent tail fin efficiently tucks carpets or opens cans. The knife can hold a dispenser with 3 spare blades and is made of durable PC-plastic (polycarbonate) with a steel core for added stability. 1 mm thick metal blade rail for additional stability.
